

Main Entry Doors

Hinged Doors

Teza's hinged aluminum entry doors blend elegance with functionality, offering a timeless solution for any home or business. Made from high-quality aluminum with a powder-coated finish, these doors ensure durability and weather resistance. Their sleek design includes advanced security features for peace of mind while enhancing your property's aesthetic appeal. Available in various styles and finishes, Teza's hinged doors can be customized to suit your taste and architectural style, making them a versatile and attractive choice for any entrance.

Pivot Doors

Teza's pivot aluminum entry doors redefine modern luxury with their bold, innovative design. Unlike traditional hinged doors, pivot doors rotate on a central axis, creating a stunning visual impact and a seamless entry experience. Built from premium aluminum with a durable powder-coated finish, these doors offer strength and longevity. The minimalist design and large surface area allow more natural light and an unobstructed view, making them ideal for contemporary homes and commercial spaces. Teza's pivot doors are a statement piece of cutting-edge design and superior craftsmanship.
